

Warminster Community Choir to put on a Singalongathon for BBC Children in Need

Warminster Community Choir are putting on a fun night of singing to raise money for BBC Children in Need. The money will go on to support disadvantaged children and young people across the UK.

The singalongathon evening will be held on Monday 24th October at St. Johns new school hall, Boreham Road. The evening will entail 45 minutes of singing, followed by 15 minutes' refreshment break, followed by a further 45 minutes of singing. All of the songs will be well known classics, words will be provided and the choir hopes that members of the public will come along for a night of fun singing and raising money for this worthy cause.

Warminster Community Choir hosts many events each year raising funds for both local and national charities. All of the money raised on the night goes to the charities. In 2012, the choir raised £170 for Children in need, in 2014, the total raised was £353. This year, the choir hope to beat that total again.

Speaking of their plans Choir Chairman George Nicholls said; "This year again, we are doing our bit for BBC Children in Need by putting on another singalongathon event, where members of the public can come along and have a great time. I'm really looking forward to it! It's all in support of BBC Children in Need, so please join us and dig deep if you can!"

Just turn up on the night. Monday 24th October. St. Johns new school hall, Boreham Road.

BBC Children in Need works throughout the year to ensure that every child in the UK has a safe, happy and secure childhood, and the chance to reach their full potential. It relies on the energy and commitment of thousands of fundraisers and supporters across the UK, who donate their time and money to put on events supporting the Appeal. Whether through cake sales, dress ups or quizzes, every penny of the money raised goes towards supporting projects across the UK.

Notes to Editors:

The BBC Children in Need Appeal is a charity registered in England and Wales (802052) and Scotland (SC039557) whose aim is to make a positive change to the lives of disadvantaged children and young people across the UK.

BBC Children in Need's vision is that every child in the UK has a safe, happy and secure childhood and the chance to reach their potential. We will realise this vision by supporting, promoting and publicising work that addresses the challenges that children and young people face and work that builds their skills and resilience.

We are currently supporting c.2,500 projects that are working with children and young people facing a range of disadvantages or challenges in their lives such as poverty and deprivation, abuse or neglect or any kind of disability.
